Praise God for drawing together a great core group of locals. COAST EC has now got 30 regular adults coming to the Sunday service. Ask for God to make our love for each other increase and to overflow in mission to the region.

Praise God for the women's bible study group and the youth girls bible study group ('chicks') that kicked off on 15th Sept. Pray for Sharon and Alicia as they lead these groups, and for God to use them to draw many women (and 'chicks'!) into deeper fellowship and maturity in their faith.

Praise God for raising up musicians! Pray for Dave and Min as they step up to lead us in praising God and encouraging each other through song.

Praise God for the wonderful provision of a house for Chris and Sharon. Ask for it to be a great base for their family and the church.

Ask God to draw more people to Himself as we move the service time from 10am to 5pm for summer (in an attempt to be more accessible to the young families who are involved with Nippers).

Ask God to open the door to the local high schools so we can teach Scripture. (Praise God for the initial positive response we've had from the Principal at Forster High, and ask that as we approach Tuncurry High the principal

Pray for Tim Scott (pastor of the CCC church in Forster) and his 4 kids. Tim's wife Cathy died unexpectedly. Pray for God to use her death for his glory.

Pray for wisdom for the Admin Committee as they meet Sunday 27th Sept to manage church finance issues and to draft a budget for 2010

Pray for Alicia as she has two weeks of time off over the October school holidays. Pray that it would be enjoyable and refreshing for her.
